**...the polish that turns  
metals to mirrors**

# REFLECTION™

- Polishes Stainless Steel, Aluminium, Brass, Copper and Chrome to a mirror-like surface.
- Protects by producing a water-repellent surface.
- Inhibits tarnishing of Brass & Copper.
- May be applied by hand rubbing on a clean cloth or by power assisted polishing buff.
- Wipes off to an absolutely smear free surface.
- Will not clog polishing buffs.
- Suitable for all metals, except fine silver, anodized aluminium and lacquered metals. Do not use on electroplated or lacquered metals as it may cut through the coating.
- Made in Australia.
